57 Years of Growing Roots in
the Community!**

March 2021

Dear Campers and Camp Friends:

It is our hope and prayer that all of you are safe and healthy during this time.

We are writing to inform you that it is with sad hearts that we believe, once again, that it is in the best interest of all that the Camp remain closed for the summer of 2021. We had hoped that things would look more promising for this upcoming summer.

The safety of the campers and staff remain our first and foremost concern. We do not want to risk anyone's health. We understand and feel your disappointment and believe us, we are also disappointed.

Just like you, we also look forward to all the fun that the Camp offers—paddling around Baldwin Lake, roasting marshmallows, catching a big fish, swimming, splashing water on a warm summer day, or just sitting under the shade of a tree with a friend. All of this will be missed.

We want to assure our donors that all funds that have been raised so far will be used for the 2022 camping season. We truly thank all of you for the support you have shown to the Camp. We could not do this without your generosity, and we are all truly grateful.

We will remain open to the possibility that we may still have some kind of a day activity or event in the summer or fall if the situation allows. We will keep you posted via Facebook: <https://www.facebook.com/GreenvilleOptimistCamp>.

Hopefully, by next year all staff and campers will have had the opportunity to receive a vaccine. Until then, please have a safe summer, and we will see you in 2022.

Sincerely,

Bob and Heather Hemmingsen
