EightCAP, Inc. improves our community by partnering with private, government, and community organizations to deliver programs to low-income residents that alleviate the local causes of poverty and its effects. Programs offered through EightCAP are as follows:

COMMUNITY SERVICES - EightCAP, Inc. Community Services assist income-eligible households with heat and utility assistance, food distributions, transportation vouchers for employment purposes or medical appointments, medical prescription copays, and various needs depending on funding availability. Community Services also offers assistance with MI Bridges, food pantry information and distributions, and referrals to other services not provided by EightCAP. The Emergency Assistance Application is located on our website, www.eightcap.org.

HOUSING PROGRAMS – EightCAP, Inc. Housing Programs assist low-income households with rental assistance, deposit assistance, emergency shelter (hotel/motel vouchers) and limited utility payment assistance. These services are offered through the Emergency Solutions Grant and the Emergency Shelter Program. As the Housing Assessment and Resource Agency (HARA) in the county, EightCAP registers and places homeless households on the Housing Choice Voucher Waitlist with a Homeless Preference Code.

Through the Supportive Services for Veterans Families, services can include; rental assistance, deposit assistance, emergency shelter stays, moving costs, emergency housing services, transportation assistance and limited car repair assistance. These services are available to low-income households, who have served at least one-day active duty and were discharged under any other circumstances than dishonorable.

The Rapid Rehousing Program is available to literally homeless households (some conditions may apply). This program may pay up to 18 months of rental assistance and security deposit. It is an intensive case management program where clients work to address barriers that are present and develop skills to retain housing and become self-sufficient.

The HUD Rapid Rehousing Program is an income-based program available to literally homeless households. This program provides intensive case management, as well as up to 24 months of rental assistance and security deposit.
Due to Covid-19, CSFP Distribution is changing to protect your health until further notice. You will remain in your vehicle and safely pull your vehicle into line at the food truck. Participants will not sign for the food boxes; a representative will check you in and then place your food boxes in your trunk. DO NOT ENTER THE BUILDING. Thank you.

The Commodity Supplemental Food Program (CSFP) is a food program for those 60 and over who fall within the income guidelines listed below. For those eligible, supplemental boxes (2) of food are delivered every other month at a site(s) in each county. Two boxes are allowed every other month (One box for each month).
